**NATWEST SCHOOLS CUP
COMPETITION
REGULATIONS 2014-15**

ENGLAND RUGBY FOOTBALL SCHOOLS' UNION
NATWEST SCHOOLS CUP COMPETITION REGULATIONS 2014-15

1. Introduction

1.1 The Competitions are:

1. The Under 18 Cup to be known as "The NatWest Schools Under 18 Cup";
2. The Under 18 Vase to be known as "The NatWest Schools Under 18 Vase";
3. The Under 15 Cup to be known as "The NatWest Schools Under 15 Cup";
4. The Under 15 Vase to be known as "The NatWest Schools Under 15 Vase".

1.2 All matches must be played and all players and Schools must comply at all times in accordance with these Regulations, IRB Laws and Regulations, ERFSU Rules and Regulations, and RFU Rules and Regulations (with particular reference to RFU Regulation 15 and any U15 and U18 Laws variations set out in Appendix 2 of RFU Regulation 15).

1.3 Any terms not defined in these Regulations shall have the meanings set out in RFU Regulation 1.

2. Organising Committee

2.1 The Competition will be administered by an Organising Committee who shall be appointed by the ERFSU and RFU to manage the delivery of the Competition (the 'Organising Committee').

2.2.1 The Organising Committee shall have discretion to decide on matters not provided for in, as well as on the interpretation of, these Regulations in the context of the Competitions. This discretion shall include the interpretation of these Regulations in accordance with the underlying principles and intent (insofar as it can be ascertained) of the relevant regulation and in the interests of rugby union football.

2.2.2 Any interested party may seek clarification of any of these Regulations by submitting a question to the Organising Committee in writing.

2.2.3 Any person affected by a decision of the Organising Committee on matters not provided for in the Regulations shall have a right of appeal against such decision in accordance with Regulation 18 below.

2.3 In the discharge of its responsibilities, the Organising Committee may further delegate some or all of the powers contained within these Regulations to any individual member(s) of the Organising Committee or to any staff member(s) of the RFU Rugby Events & Competitions Department.

3. Administration of the Competitions

- 3 The administration of the Competitions will be as follows:
- 3.1 The Organising Committee will determine the precise structure of the Competitions as soon as the number of participating teams has been finalised. They will place participating Schools/Colleges into the Under 18 Cup or Under 15 Cup as appropriate. The structure will be circulated to all Schools/Colleges participating in the Competitions at least one month before the start of the Competitions.
- 3.2 The Organising Committee will carry out the draws. When conducting the draws, every reasonable endeavour will be made to minimise travel.
- 3.3 In all Competitions the first-named team in the draw is the Home team and the second-named team is the Away team, irrespective of where the game is actually played.
- 3.4 The U18 Cup and Vase and the U15 Cup and Vase will be based on a straight knockout format.
- 3.5 Schools/Colleges that fail to reach a specified Cup Round (such Round to be determined by the Organising Committee prior to the commencement of the Competitions) will automatically be entered into the U15 or U18 Vase Competition as applicable. However, any School/College conceding a match will be removed from all Competitions for that season in respect of that age grade.

4. Eligibility of Schools/Colleges

- 4.1 The Competitions will be open to Schools/Colleges in membership of the ERFSU, subject to the remaining provisions of these Regulations and the discretion of the Organising Committee.
- 4.2 Any educational establishments participating in the RFU AASE Competition will not be eligible to participate in the Competitions.

5. Eligibility of Players

Note: In recognition of the fundamental purposes of this Regulation (ensuring safety, fairness and equity for all participants), any team breaching any part of Regulation 5 risks disqualification from the competition.

- 5.1 Players must be under 15 years of age at 24:00 hours GMT on 31st August 2014 to be eligible for the Under 15 Competitions.
- 5.2 Players must be under 18 years of age at 24:00 hours GMT on 31st August 2014 to be eligible for the Under 18 Competitions.

- 5.3 Players taking part in a Competition must be on the roll of the participating School/College on 30th September 2014 and in attendance at the participating School/College, unless otherwise agreed by the Organising Committee.
- 5.4 All teams must comply with RFU Regulation 15 in all respects, including in respect of eligibility requirements for playing up, and in respect of the restrictions on playing in the front row. Under 16s and Under 17s can only play in an Under 18 match if the conditions of RFU Regulation 15.3.6 are satisfied. Under 16s cannot in any circumstances play in the front row of the scrum in any Under 18 match in the Competition (unless the player is an England Academy Player and satisfies the requirements of RFU Regulation 15.3.8).
- 5.5 In the Under 18 Competitions, only three players who have joined the School/College after 30th September 2012 are permitted to be part of the squad of players selected. However, the foregoing shall not apply to Sixth Form Colleges, Further Education Institutions or Schools/Colleges that have been granted Collegiate School status (the requirements for which are set out below).

Note: Sixth Form College/Further Education Institution status will be determined through the EduBase database produced by the Department for Education. The Organising Committee will produce a definitive list of participating teams that are not restricted to the 3 player limit by reason of their official status.

- 5.6 Collegiate School status can be granted by the Organising Committee in the following circumstances:

- 5.6.1 If a State School/College provides education up to and including the age of 18 years of age and some of its pupils feed into its Sixth Form as part of a normal transfer at this age from a local School/College, or local Schools/Colleges, which only educate pupils up to the age of 16 years, it may apply to the Organising Committee for registration as a Collegiate School.

Collegiate Schools may select any number of such pupils, along with those which have come through the school anyway, to play in the U18 Competitions, provided that the Organising Committee has approved their application for registration as a Collegiate School in accordance with Regulation 5.6.2.

- 5.6.2 Only State Schools/Colleges can apply for Collegiate School status. Any State School/College that wishes to register as a Collegiate School must complete and submit the relevant form.. Applications must be submitted by a date determined and notified by the Organising Committee. The Organising Committee reserves the right to decline any application for Collegiate School status.

Note: Teams that are granted Collegiate School status can select any number of players from the approved schools list, plus up to 3 other players who joined them from other schools after 30 September 2012.

- 5.6.3 Where pupils in two or more Schools/Colleges in the same area are taking one or more subjects in one School/College and one or more subjects in a second School/College, then players from both the Schools/Colleges involved can play in the team of one or other of the institutions involved, provided that that institution

has been granted Collegiate School status in accordance with Regulation 5.6.2 above and subject to the approval of the Organising Committee.

- 5.6.4 Every Post-16 Establishment (Sixth Form Colleges/Further Education Institutions) will be required by the Organising Committee to propose its catchment area in miles radius from the postcode of the Post-16 Establishment's designated sports campus. It must also submit a definitive list of Educational Establishments (and postcodes) that fall within that catchment area. The Organising Committee shall determine and notify the date by which these details must be supplied. Once approved by the Organising Committee, the Post-16 Establishment may then select up to 3 players who have joined them from schools beyond this defined catchment area. The ERFSU will actively seek the co-operation of the County Schools Unions in monitoring the application of this Regulation.

6. Match Management

- 6.1 All matches must be played by the end of the stipulated week as detailed in Annex 1. Should this not be possible, the Home team must contact the RFU Rugby Events & Competitions Department to apply for dispensation to play on an alternative date, subject to agreement from the Organising Committee. Failure to comply with this Regulation will be a breach of Regulations.
- 6.2 The Organising Committee retains the right to specify the date and kick-off time for any match in the Competitions.
- 6.3 Apart from the Semi-Finals and Finals, the Home team is responsible for arranging the fixture at a suitable venue (defined as the usual home pitch, or alternative school/club/artificial pitch – a list of the latter is set out in Annex 2).
- 6.4 Where the Home team is unable to provide a suitable venue for the match, the fixture must be reversed and played at the Away team venue to ensure the match is completed by the due date. If neither venue is available, the matter must be referred to the Organising Committee, which has the power to extend the date by which the Game must be played or to decide which team shall go forward to the next round. Failure to provide a suitable venue will also include being unable to provide a suitable venue in the event of bad weather.
- 6.5 Where a fixture is reversed in accordance with Regulation 6.4, the Home team will remain as published in the draw.
- 6.6 Where the first-named school to be drawn in a match plays its home fixtures in the Isle of Man or the Channel Islands, the match shall, unless both schools agree to play off-shore at the expense of the off-shore school, be played on the mainland of England on the ground of the second-named school to be drawn.
- 6.7 The best possible venue must be used. Where appropriate, every attempt must be made to rope off the pitch.

- 6.8 U15 matches will be 30 minutes each way. Half-time will be 5 minutes, with both teams staying on the Field of Play.
- 6.9 U18 matches will be 35 minutes each way. Half-time will be 5 minutes, with both teams staying on the Field of Play.
- 6.10 Should a fifty-point differential occur at any time during a match, the Referee may end the match and the result at that time will stand, unless both teams are in agreement to continue.
- 6.11 The Home team must advise the Referee that the appointment is to a NatWest Competition fixture and advise him/her of the Competition Regulations and appropriate Law Variations.
- 6.12 Where a match has not been played, or the result of a match remains unresolved, by the end of the stipulated week, the Organising Committee may, in its sole discretion, determine which team (if any) will progress in the competition(s). This power will only apply to situations where there is no other opportunity to play/replay a match and the successful delivery of the competition(s) is at risk.
- 6.13 The Semi-Finals will be played at a venue and on a date to be determined by the Organising Committee.
- 6.14 The Finals will be played at Twickenham on Schools' Day. The date will be determined by the Organising Committee.
- 6.15 In all matches in the Competitions, Schools/Colleges must select their strongest squad of eligible players (being the starting 15 and a maximum of 7 replacements).

7. Replacements / Substitutions (see Under 15 and Under 18 Law Variations)

- 7.1 The number of replacements and substitutes in attendance at all matches shall be no more than seven.
- 7.2 Rolling Substitutions are permitted in all NatWest Cup and Vase matches. A player who has been substituted may later replace any player, whether or not that player has been injured (subject to Regulation 7.4).
- 7.3 In the interests of safety, each team must have at least five players in their nominated match squad who are suitably trained and experienced to be capable of playing in the front row. This is to ensure that on the first or second occasions (whether due to injury or consequent to a player(s) being temporarily suspended or ordered off) that a front-row player is required to be replaced, the team can continue to play safely with contested scrums.
- 7.4 If on any occasion a front-row player requires to be replaced and his team

cannot (for any reason, including injury, temporary blood injury, temporary exclusion following a yellow card, or permanent exclusion following a red card) provide a replacement, or another suitably trained and experienced player from the nominated squad, to enable the match to continue safely with contested scrums, the Referee, having made enquiry of and having confirmed this fact with the manager of the team (or such other person nominated by the School/College as the person responsible for the team), the match will continue with uncontested scrums.

The team concerned shall not be entitled to replace the player whose departure caused the uncontested scrums and (subject to Regulation 7.6 below) the final result will stand.

On return to the field of play of the front-row player who had been temporarily excluded or injured, the Match shall continue with contested scrums.

- 7.5 In the unusual event that a Referee decides to continue the game with uncontested scrums on the grounds of safety, because he cannot safely manage the scrums otherwise, the final result will stand, subject to Regulation 7.6.
- 7.6 The Organising Committee may review the circumstances where a match is completed with or contains uncontested scrums and in its sole discretion may impose penalties in accordance with Regulation 17, subject to the right of appeal set out in Regulation 18.

8. Drawn Matches

- 8.1 There will be no extra time in any round.
- 8.2 In all matches, in the event that scores are level at the end of the match, the winner will be:
- a) the team scoring the most tries,
- or, if that fails to produce a winner,
- b) the team scoring the most goals from tries.
- 8.3 With the exception of the Semi-Finals and Final, if Regulation 8.2 does not produce a winner, the Away team is the winner. In accordance with Regulation 3.3, in all rounds of the Competitions, the second-named team in each match is the Away Team.
- 8.4 In the Semi-Finals, Regulation 8.3 will not apply. If the application of Regulation 8.2 fails to produce a winner, the winner of the match will be determined by a Place-Kicking Competition (see Regulation 8.6).
- 8.5 In a Final, Regulation 8.3 will not apply. If the application of Regulation 8.2 fails to produce a winner, the trophy will be shared.
- 8.6 Place-Kicking Competition:

- 8.6.1 Each team shall nominate three (3) players from its number on the field of play at the final whistle to participate on its behalf in a place-kicking competition.
- 8.6.2 Each kicker in turn shall attempt a place kick, alternating between the teams, until all six (6) kickers have kicked at goal from the designated place. At the end of each sequence of six (6) kicks, the team that has scored more goals will go through. If no team has scored more goals in a sequence, the kickers will start again at the next designated place. For all attempts the same ball will be used.
- 8.6.3 The first kick in a sequence shall be taken by the team that kicked off at the commencement of the match. The attempts will be taken from the following places in turn, repeating the sequence until a decision is reached: -
- a) the intersection of 22-metre line and the centre of the 22-metre line;
 - b) the intersection of 22-metre and 15-metre lines to left of posts facing;
 - c) the intersection of 22-metre and 5-metre lines to left of posts facing;
 - d) the intersection of 22-metre and 15-metre lines to right of posts facing;
 - e) the intersection of 22-metre and 5-metre lines to right of posts facing.

9. Postponed or Abandoned Matches

9.1 Weather Conditions (including bad light)

9.1.1 Postponed Match

If weather conditions (including bad light) prevent a match being played, despite the teams having followed the requirements set out in Regulation 6.4 and any Postponed Match Notification Procedure as may be notified to the participating Schools/Colleges by the Organising Committee, the match will be played at a later date unless the Organising Committee exceptionally, and in its absolute discretion, agrees/specifies otherwise.

9.1.2 Abandoned with fewer than 50 minutes played

If the match is abandoned solely because of the weather conditions (including bad light) when fewer than 50 minutes have been played, the match will be replayed unless the Organising Committee exceptionally, and in its absolute discretion, agrees/specifies otherwise.

9.1.3 Abandoned with 50 or more minutes played

If a match is abandoned solely because of weather conditions (including bad light) when fifty or more minutes have been played, the score at the moment of abandonment shall stand and be deemed the final score in the match. The Referee's decision as to the necessity for abandonment and the number of minutes played at the moment of abandonment shall be final.

9.2 **Other Reasons**

If the Referee finds it necessary to abandon a match for any reason other than weather conditions (including bad light), irrespective of the number of minutes played, the result of that match shall be reviewed by the Organising Committee. The Organising Committee may order the match to be replayed and/or impose such other sanction as it deems appropriate. The Referee's report must be submitted on why play was curtailed.

10. **Notification of Results**

10.1 The Home School/College must inform the RFU Rugby Events & Competitions Department (*see contact details below*) of the result within 2 hours of the end of the match.

11. **Team Sheets**

11.1 Each School/College in every round of each Competition must complete and retain a copy of a Team Sheet of the 15 starting players and a maximum of 7 replacements. From Round 4 onwards, Schools/Colleges must also submit a copy to the RFU Rugby Events & Competitions Department, within 72 hours of the final whistle of each match they play, signed by the Team Manager.

11.2 The Team Sheet will contain the following information:

- a) Full Name of Player
- b) Date of Birth of Player
- c) School attended in Year 11 (U18 only).

11.3 Each Team Manager must sign their own team sheet (where indicated) prior to the start of the match. The Team Sheet must be retained by the Team Manager for future inspection by the Organising Committee or its representative(s).

11.4 Each School/College must ensure that information provided on a Team Sheet is accurate and legible. Failure to submit a team sheet, or late submission, will render a School/College liable to sanction. The provision of false or misleading information on players or replacements is a serious breach of these Regulations and may give rise to a severe penalty.

12. Kit

- 12.1 Each team is responsible for ensuring that there is no clash of colours and that all its kit complies with IRB Regulations.
- 12.2 The first-named team will change shirts in the event of a clash of colour.
- 12.3 All teams in the Quarter-Finals, Semi-Finals and Finals must wear numbered shirts.

13. Referees

- 13.1 The Home team shall seek an independent Referee through its local Referees' Society.
- 13.2 If a Referees' Society is unable to appoint a Referee, the Home team may ask a **neutral** School/College to provide an experienced member of staff to act as Referee or to recommend a neutral, experienced referee from outside the School/College. This is only permissible if the Away team is notified in advance, and both Schools/Colleges playing in the competition are in full agreement with this arrangement prior to the game being played.
- 13.3 If a Society or neutral referee is not available, the Away team must be offered the opportunity to provide a referee, or they can consent to a proposed home referee.
- 13.4 For the Quarter-Finals, Semi-Finals and Finals, Match Officials will be appointed by the RFU, unless otherwise delegated to a participating School/College.

14. Accommodation & Travel Expenses

- 14.1 For the Semi-Finals and Finals, accommodation will be arranged by the RFU Rugby Events & Competitions Department.
- 14.2 A contribution towards transport costs for the Semi-Finals and Finals will be made through the RFU Rugby Events & Competitions Department.
- 14.3 For funding purposes, the travelling party will consist of 26 per team – 22 players, 3 members of staff and 1 coach driver.

15. Disciplinary Procedures

- 15.1 When any player is sent off or cited in any match in any of the Competitions, the Disciplinary Procedures for Age Grade Players set out in Appendix 6 of RFU Regulation 19 will apply.

- 15.2 A player who has been suspended from Club Rugby or Schools' Rugby may not play in any of the Competition matches while under suspension.

16. Disputes and Breaches of Regulations

- 16.1 Subject to Regulation 16.4 and Regulation 18 below, and in accordance with Regulation 17, the Organising Committee shall have the power to discipline any School/College or person for breach of any of these Regulations and/or any RFU Regulations. Ignorance of any such regulations cannot be deemed an excuse in the event of breach.
- 16.2 Acting either on its own initiative, or on an allegation of a breach of any of these Regulations, RFU Regulations and/or IRB Regulations by a School/College from an identified third party, the RFU Rugby Events & Competitions Department may review any aspect of the Competition. Any allegation shall be notified in writing to the RFU Rugby Events & Competitions Department within three school working days of the final whistle of match giving rise to the allegation. The School/College alleged to be in breach shall be notified of the allegation within two school working days of the details, and shall have three school working days, from its receipt of notification of the allegation, to respond.
- 16.3 If any member of a County Schools' Union becomes aware of a breach, or potential breach, of these Regulations, ERFSU Rules and Regulations, RFU Rules and Regulations, or IRB Regulations, he/she is required to notify the RFU Rugby Events & Competitions Department within 48 hours of knowledge of the occurrence or facts giving rise to the allegation. Failure to comply may be a potential breach of RFU Rule 5.12 (Bringing the Game into Disrepute).
- 16.4 Any breaches of RFU Regulation 15 by adults will be dealt with in accordance with RFU Rule 5.12 by the RFU Head of Discipline and the procedures set out RFU Regulation 19 shall apply.

17 Sanctions

The standard of proof of culpability applied to decisions in Regulations 17 and 18 relating to decisions on regulatory breaches and disciplinary matters is the civil standard of "on the balance of probability".

- 17.1 Having received the RFU Rugby Events & Competitions Department's evidence, if the Organising Committee finds a breach of a regulation has occurred it may bring disciplinary proceedings. If it feels there is a case to answer, the party committing the alleged breach will be notified within two school working days and given an opportunity to make submissions or to attend a hearing, as determined by the Organising Committee. The National Schools and Youth Disciplinary Secretary shall be copied in to all correspondence from the start of the proceedings.
- 17.2 The sanction open to the Organising Committee for breaches of Competition Regulation 5, notwithstanding a successful appeal on grounds of either "due

process" or "fact", is disqualification of the School/College from the relevant Competition in the current season.

17.3 Sanctions open to the Organising Committee in respect of any other breach of these Regulations and/or RFU Rules/Regulations and/or IRB Rules/Regulations will include, but are not limited to, the following:

- Reprimand an individual or School/College;
- Impose a fine up to £100 and/or an award of reasonable costs to the complainant;
- Order a replay;
- Order that the result is that a School/College has lost the match;
- Exclude/disqualify a School/College from all or any of the Competitions for such period of time as the Organising Committee may decide.

17.3 Such action by the Organising Committee will be recorded and reported to the ERFSU Executive. Any fines and costs imposed and collected will be put towards the costs of the Competition. Failure by a School/College to pay a fine or costs will be considered a further breach of these Regulations.

18. Right of Appeal

18.1 Should any interested party wish to appeal a decision of the Organising Committee, that party shall have a right to appeal in accordance with this Regulation 18.

18.2 Any interested party aggrieved at the decision of the Organising Committee may, within 72 hours from the receipt of the letter or notice informing it of the Organising Committee's decision, lodge an appeal in writing to the RFU Rugby Events & Competitions Department, who shall then notify the National Schools & Youth Disciplinary Officer (NSYDO) and the RFU Head of Discipline. An appeal fee of £100 is payable at the time of lodging the appeal. This may be refunded if the appeal is successful, and if so ordered.

18.3 The NSYDO, together with the RFU Discipline Department, will direct how the appeal will be heard and conducted and will issue case management directions until a panel is appointed to hear the appeal. Any appeal will normally be determined by written submissions unless the NSYDO and RFU Discipline Department consider it appropriate to have a live hearing in which case such hearing will take place as soon as practicable to avoid undue delay to the next round. The decision of the appeal panel is final and binding.

19 Obligations

19.1 Each School or College entering its team in any ERFSU Competition agrees:

19.1.1 that, by commencing its programme of matches in the Competition, it has entered into a legally binding obligation with the RFU and the ERFSU, and, as a separate covenant, with every other team in the Competition and with any sponsor and/or

commercial partner as may be associated with the Competition in which the team plays;

19.1.2 to comply in every particular with these Regulations, the RFU Rules/Regulations and the IRB Rules/Regulations;

19.1.3 to permit access to its premises during a match to any person authorised by the RFU, ERFSU or Organising Committee (with or without notice) to check compliance with all or any of the above Regulations.

Broadcasting & Image Rights

19.2 All broadcasting, media and image rights relating to the Competitions belong solely and exclusively to the RFU and the ERFSU, and all participating Schools/Colleges agree not, by any act or omission, to do anything to prejudice, or that is in conflict with, these rights.

19.3 In all competition matches, apart from the Quarter-Finals, Semi-Finals and Finals, participating teams may record matches for the purpose of analysis and non-commercial purposes only. Any team wishing to record a match using television or any audio-visual or electronic media must obtain the permission of both participating teams prior to the match. For avoidance of doubt, no team is permitted to record the Quarter-Final, Semi-Final or the Final matches.

19.4 Anyone wishing to broadcast any match by means of radio, television or any other audio-visual or electronic media must obtain permission from the RFU and ERFSU by contacting the RFU Rugby Events & Competitions Department.

19.5 No team shall take any part (either as organiser or participant or in any other way) in any match that is in whole or in part broadcast by means of radio, television or any other audio-visual or electronic media, where doing so shall be a breach of any broadcasting, or other, contract entered into by the RFU and ERFSU or any other person acting for or on behalf of itself or any group or association of Clubs, Schools, Constituent Bodies or Unions.
